Hope you are feeling better today, Chris!

I have left 3 messages for Capt. Zarcone. If I do not hear back from him prior to the hearing, I've asked Dana to have the record kept open for 1 week. OKAY WIH YOU?

See you later.

Hugs,

Laurie

Hi Laurie,

Thanks! Wish I could say I was...

I heard back from LAPD and they said that they have some concerns with your conditions and would like some time to work with you to revise some of them. So, we plan to support Tao as originally intended and defer to both

you and LAPD as to how long you need to sort through this. If you think you can do it in a week, that's fine, so long as LAPD is on board - sometimes they need a little bit more time. We are also requesting that the LOD be issued as quickly as possible once the conditions are ironed out.

Sound good?
